

LAMEROO SKATE PARK YOUTH OF THE REGION CONSULTATION SURVEY

At the Council meeting held Wednesday 16 August 2017, the Southern Mallee District Council resolved to go to Public Consultation with the youth of the region in relation to retention of the skate park or other alternative recreational facilities.

The Council would greatly appreciate your participation in the survey and welcomes all feedback on the retention of the current skate facilities or on other facilities in which you believe would be beneficial for the enjoyment of our youth/community.

How often do you use the skate park?

- Daily Weekly Monthly Yearly Never

Are you confident in using the skate park in its current condition?

- Yes No Partially

If you have ticked 'No' or 'Partially' please explain why:

What improvements or changes do you think can be made to the skate park?

Are there any other alternative recreational facilities that you would like to see in our district other than a skate park?

Any other comments:

Surveys can be returned via the following options:
