

Public Consultation Policy

Adopted	15 June 2016
Recommendation Number	30 / 0616
Review Date:	June 2018

1 Introduction

The Council is committed to open, accountable and responsive decision making, which is informed by effective communication and consultation between the Council and the community.

In carrying out its consultation process, the Council applies the following principles:

Members of the community have a right to be informed about issues affecting their area and their lives and to influence Council's decisions about these;

Community interest will vary depending on the issue and the number of people affected, and Council's level of consultation will reflect this;

Community involvement in Council decision making should result in greater confidence in the Council and responsive decision making;

Council decision making will be open, transparent and accountable.

2 Policy Objective

The purpose of this policy is to ensure that Council meets its legislative obligations in regard to public consultation by:

Using appropriate and cost effective methods which are relevant to the specific circumstances of each consultation topic;

Informing and involving the local community, key stakeholders and interested parties

Using feedback to enhance decision making.

3 Scope

This policy applies to Council Members sitting as the Elected Body, Council employees, Contractors, Agents and Consultants acting on behalf of Council.

The Chief Executive Officer is responsible for the implementation of the Public Consultation Policy, establishing the consultation level, reporting outcomes of the consultations to the Council, reviewing the value of the policy, and determining elements within that process where Council has delegated responsibility.

4 Policy Statement

The preparation and adoption of this policy fulfils the Council's obligations under section 50(1) of the *Local Government Act 1999*. Section 50 provides that:

The Council must set out the steps that the Council will follow in cases where the Local Government Act requires consultation on a matter, and

The Council may set out the steps that Council will follow in other cases involving the council's decision-making.

Council must provide interested persons with a reasonable opportunity to make submissions regarding relevant matters

Council may, from time to time, alter this policy or substitute a new policy. In the instance that any significant changes are being proposed to the public, the Council must submit the proposal to a Public Consultation Process.

Other sections of the Local Government Act also refer to Consultation Requirements, and in some instances set out what a Council must do. See Specified Consultation Requirements below.
