

Expansion of the Pinnaroo Community Gym

Construction work to expand the local Pinnaroo community gym at Day Street, Pinnaroo started on Wednesday 13 November 2019. The works will see the floor area of the gym expanded and a new change room facility provided, and include removal of an internal wall, new flooring, painting and change room renewal works.

Pinnaroo Fitness, Health and Wellness Inc (PFH&W) is the community group that manages the hugely successful gym. It now services over 120 members and provides a range of fitness and wellness activities from this site.

Council at its meeting on 21 August 2019 approved the new community facility lease for PFH&W to utilise the expanded area of the Pinnaroo Institute for the next five years.

Council also approved a number of community grant applications at its 18 September 2019 meeting. This included just over \$15,000 to PFH&W to fund the change room improvements, gym painting and flooring and a healthy eating activity and lifestyle program.

Council's Mayor, Cr Andrew Grieger, said "the local gym is a highly valued community asset. It serves a significant and broad spectrum of Pinnaroo and district residents and Council has been pleased to provide support to see the facility and services expanded. Pinnaroo Fitness Health and Wellness is a hard-working and successful volunteer group and should be commended on its achievements"

President of PFH&W, Mr Paul Daniel said "We are very proud of what our community group does for the health of the local community. I know many members are excited about the gym's expansion and the improvement to facilities and services."

Scott Meneghetti Carpentry was engaged to demolish the internal wall on 13 November 2019. Express Paint Rollers Australia is supporting and overseeing the painting works. The flooring will also be delivered whilst the gym is closed for a week. The change room will be developed in coming months.

Demolition works commence
