

12.1 PLANT REPLACEMENT PROGRAM - TRUCK TENDER

Responsible officer: Matthew Sherman, Manager Infrastructure Services

- Attachments:**
1. Bid Comparison document
 2. Gorski Engineering quote
 3. North East Isuzu quote
 4. South Central Trucks quote

Section under the Act	The grounds on which part of the Council or Committee may be closed to the public are listed in Section 90(2) & (3) of the <i>Local Government Act 1999</i> .
Sub-clause and Reason:	(k) - tenders for the supply of goods, the provision of services or the carrying out of works.

Executive Summary

Council allocated funding in the 2023/24 budget for the replacement of P421 & P422 Volvo Tipper truck and trailer combination as part of its ongoing plant replacement program. The budget allocation is \$440,000.

Council advertised tenders for the truck replacement via SA Tenders website which opened on 20 July 2023 and closed 5pm 23 August 2023. A total of 3 companies submitted tenders with one submitting a price for the Truck body and 2 Axle Dog Trailer

The tenders were evaluated against the tender assessment criteria included in the tender documentation. The successful tender is Northeast Iveco.

RECOMMENDATION

That Council purchases one new Iveco S-Way and 2 Axle Dog Trailer from Northeast Iveco for the price of \$394,041.50 ex GST.

Background

Council’s plant replacement program is documented and used to form part of the budget development each year. It clearly sets out which plant is due to be replaced each financial year. Council has allocated \$440,000 for the replacement of P421 & P422 Volvo Tipper truck and trailer combination.

Context

Council called for tenders via SA Tenders website. The tender period opened on 20 July 2023 and closed 5pm 23 August 2023. Three tenders were submitted.

Companies that tendered were Northeast Iveco , Gorski Engineering and South Central Trucks (2 options)

Tenders were evaluated in accordance with the plant purchase tender scoring form that was included in the tender as well as assessment on price, availability/delivery, quality and adherence to safety.

Northeast Iveco supplied a trade in price of \$98,181 Ex GST

South Central Trucks supplied a trade in price of \$99,172 indicative [tbc 90 days prior to delivery]

Tender prices provided by each company are all GST exclusive.

Policy and statutory implications

Council has a procurement policy and the tender process has been undertaken in accordance with the policy.

All Council purchases must be carried out in compliance with the Local Government Act 1999 (the Act). Section 49 (a1) of the Act requires Council to develop and maintain procurement policies, practices and procedures directed towards:

- Obtaining value in the expenditure of public money, and
- Providing for ethical and fair treatment of participants, and
- Ensuring probity, accountability and transparency in the procurement process.

Council is not obliged to accept the lowest tender or any tender.

Issues

A bid comparison summary and detailed tender evaluation are provided as attachments to this report.

Alternate options

This is planned and budgeted plant replacement and other options, such as delaying plant replacement, are considered inferior options. It is noted that the replacement of this specific plant has already been delayed by 2 years.

Financial implications

The total budget allocation for this financial year for this plant replacement is \$440,000.

All Tenderer's submitted pricing under the budget allowance, therefore there are no budget implications regarding this tender.

Work Health and Safety and Risk implications

The submitted tenders included work health and safety components. There are no risk implications.

Consultation

Council included this capital allocation for plant replacement in the 2023/24 Annual Business Plan and Budget which was the subject of community consultation.

Council staff applicable to the tender were consulted on the trucks that were presented.

Median Price = \$390,903.00

Recommendation:

Gorski Engineering was ruled out as the tender was for the supply of a Truck S Trailer combination and they only supplied quotes for the Trailer and body work for a truck.

South Central trucks have supplied 2 options, Volvo FM11 and UD Quon. Both trucks are conforming and would be suitable for council's operations, it is thought to be noted that the trade in price is indicative at the time of submitting the tender which is not ideal. Cab Chassis ETA Volvo late March 2024, UD Quon late September 2023. South Central Trucks have supplied trucks to council before.

North East Iveco -conforming tender with trade in price firm giving council clarity on price. Iveco is in stock with delivery by March 2024, body and trailer made onsite elevating any issues between truck supplier and body & trailer builder.

Recommendation that Council award the delivery of 1 new Tipper Truck and 2 Axle Dog Trailer to North East Iveco for the price of \$394,041 ex GST, Trade \$98,181 - C/O \$295,860

Evaluator's Name: Matthew Sherman, Neil Steer, Luke Wilson

1. Pursuant to Section 90(2) & (3) of the Local Government Act 1999 the Council orders that the public, with the exception of the Acting Chief Executive Officer, Manager Corporate Services, Acting Manager Infrastructure Services, Manager Property and Development Services and Coordinator Executive Services be excluded from attendance at the meeting held on Wednesday 20 September 2023 for Agenda Item 12.1 Plant Replacement Program - Truck Tender;
2. The Council is satisfied that pursuant to section 90 (3) (k) of the Local Government Act 1999, the information to be received, discussed or considered in relation to the Agenda Item 12.1 Plant Replacement Program - Truck Tender is:
 tenders for the supply of goods, the provision of services or the carrying out of works.
3. The Council is satisfied that the principle that the meeting be conducted in a place open to the public has been outweighed by the need to discuss this Agenda Item 12.1 in confidence.

CARRIED.

MOVED COUNCILLOR LUKE KENNEDY
 SECONDED COUNCILLOR CHRIS MEAD

That item 12.1 plant replacement program – truck tender be deferred until the commencement of the new Chief Executive Officer.

CARRIED.

MOVED COUNCILLOR LUKE KENNEDY
 SECONDED COUNCILLOR TREVOR POCOCK

That having considered agenda Item 12.1 in confidence under section 90 (2) and (3) (k) of the Local Government Act 1999, the Council pursuant to section 91 (7) of the Act orders that the documents considered by the Council, including the officer’s report and all minutes be retained in confidence. This order is to be reviewed at or before the ordinary Council meeting to be held in January 2024, as to if this order is to continue in operation.

CARRIED.
