

Mallee COGS Update 10.12.2019

Council would like to provide the community with an early update on the scheduled opening of both new COGS childcare services.

The new service in the new facilities was scheduled to commence on 13 January 2020. We are pleased to advise that the buildings are complete, however, not all essential external works are complete and the overall facility still requires final service approval.

We wish to inform you that the new opening date is Monday 10 February 2020.

The community celebration for the opening of both services will now be held on Saturday 8 February 2020.

We sincerely apologise for this four-week delay.

Unfortunately, Mallee COGS is unable to provide any service from Monday 23 December 2019 until Friday 7 February 2020. Mallee COGS staff may be able to assist families who require care during this time by putting them in touch with private in-home carers. We greatly appreciate the patience of local families and we trust the new service in our new facilities will be worth the wait. The four-week delay will ensure that we are able to provide you with facilities of the highest standard.

Any questions please don't hesitate to contact the Mallee COGS team leaders.
