13.2.7 Confidential Item - Combination Roller Tender

Recommendation

Pursuant to Section 90 [2] of the Local Government Act 1999 the Council orders that all persons, except the Chief Executive Officer, Works Manager, and the Minute Secretary be excluded from attendance at the meeting for Agenda Item 13.2.7 Combination Roller Tender

The Council is satisfied that pursuant to section 90 [3] [k] of the Act, the information to be received, discussed or considered in relation to the Agenda Item is information the disclosure of which would involve tenders for the supply of goods, the provision of services or the carrying out of works

The Council is satisfied that the principle that the meeting be conducted in a place open to the public has been outweighed by the need to discuss this item in confidence because the disclosure would involve tenders for the supply of goods, the provision of services or the carrying out of works

The Council has gone out to Tender for a new Combination Roller to replace P174 [existing Combination Roller]. I have attached the Tender report with a recommendation

Recommendation

Having considered item 13.2.7 in confidence under section 90 [2] and [3] [k] of the Local Government Act 1999, the Council pursuant to section 91 [7] of the Act orders that the item and the minutes, reports and all other records, relating to the matter be retained in confidence. This order is to be reviewed at the Ordinary Council Meeting to be held in November 2017, as to if this order is to continue in operation

Tender – Combination Roller 2016/17

Southern Mallee district Council issued a Tender for 1 New Combination Roller via the Tenders SA Website

The Tender closed 5pm 5 December 2016

There were a total of 1 response

An evaluation was undertaken on all tenders and the following information is supplied

All Prices are Ex GST [Budget \$75,000]

Company	Price
Broons	\$69,940.00

Roller comes with solid filled tyres, Swivel hitch Adaptor, sign racks, lockable tool box and a 10 year structural warranty

With this being the only tender submitted I would still recommend that Council progress to purchase a roller from Broons

New e-Combi Roller

Tender – Combination Roller 2016/17

I have also been notified by Broons that they have 2 x second hand combo rollers for sale that were used by Coats Hire. They were manufactured in 2010 and used exclusively by Local Government. Broons have advertised the 2 recently and I have provided a picture of one and advert as to how it would look refurbished

Sold with 12 months warranty by the OEM manufacturer (Broons), all spare parts readily available ex Works Adelaide. Allow around 6-8 weeks for remanufacturing. More than 50 of these units now in operation around Australia and overseas, they're a perfect compaction tool when maintenance grading on rural roads. These units never last long and rarely come available. Price listed excludes GST.

Tender – Combination Roller 2016/17

Reconditioned e-combi roller

Given that the roller is only 5 years old and of the same specification as the tender, there is savings to be made by purchasing the refurbished roller, however I have been advised that the Council would only get 12 month structural warranty and 12 months on all other items

It certainly is an option to consider and further discussion be made around this option.
