159

Hi Andrew , As. Past Chairman of the Lameroo centenary committee I am concerned with the funds being redirected to a project which is not the intentions of the past committee. It was minuted that funds be left in a trust for the future quasiquicentennial (125 year anniversary) committee,if this trust a/c is to be closed it is the wishes of the past committee that the money be transferred to the Lameroo & District Historical Society Committee which will place in an interest term a/c to be used for starting funds, (such as advertising , printing deposits). Trusting you can oblige .  
Yours Faithfully

Peter Bowman

SMDC Re: Centenary Funds

As Secretary of the Lameroo Century Committee I write in relation to the funds identified, and agreed to by Council, to be held in trust for the next Lameroo celebration.

I have recently had a couple of conversations with Tony Secomb who has copies of the minutes & correspondence from that time.

I have also had discussions with Peter Bowman, Centenary Committee President.

If SMDC can no longer support this agreement it would be appreciated if another Lameroo organisation such as the Lameroo & District Historical Society could care take the money so the next committee has some start up funds for Advertising, stationery etc. which we didn't have.

The Centenary Committee felt strongly about providing this support at the time of finalising their finances.

I have had communication with Andrea Maynard, Secretary/Treasurer of the Lameroo & District Historical Society in regards to this and she is very supportive of the suggestion.

Thank you for your consideration, I hope you can support this request.

Regards,

Carol Haskell

Centenary Committee Secretary

Southern Mallee District Council  
**C/- Andrew Grieger**

Dear Andrew,

**Re: Funding for Future Centenary Celebrations**

We contact you regarding funding set aside under the Southern Mallee District Council Accounts for the purpose of assisting with the Centenary Celebrations.

It is our understanding there is funding within the Council, as a result of previous town fundraising for the local celebrations held in the Lameroo district. We are in full support of this funding being directed towards future celebrations.

As with all historical events held in our district, the Lameroo & District Historical Society, would be more than happy to work with the Celebrations Committee, as the information held would certainly be of benefit in the planning.

In noting this, we would be more than happy to 'care take' this funding to assist the committee's future upcoming events.

Should you wish to discuss this matter further, please contact myself on 0418 742 100.

Regards

*Andrea L Maynard*
